

CareCover Protective Cases

Protect your investment in CareView® panels. CareCover cases are designed for tough environments and provide excellent mobility for clinical and field work.

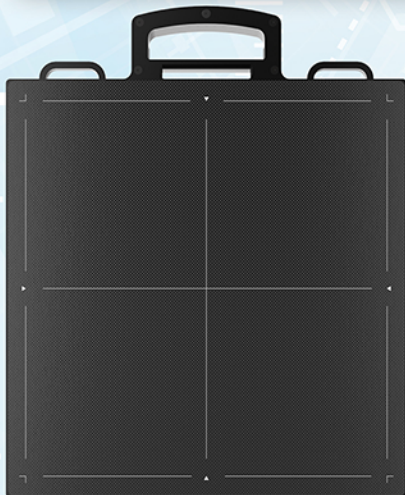

CareCover 10" x 12" - 750Cw

- ◆ *Durable carbon fiber shield for the imaging surface of your 750Cw.*
- ◆ *Impact-absorbent edge. Enhanced corners for a solid yet flexible carrier.*
- ◆ *Dual-position handle for comfortable transport and reduced drop risk.*

CareCover 14" x 17" - 1500Cw

- ◆ *Unique design for our most popular and versatile flat panel detector.*
- ◆ *Lightweight carbon fiber and high strength aluminum alloy construction.*
- ◆ *Panel glides and locks into place for a secure fit and easy handling.*

CareCover 17" x 17" - 1800Cw

- ◆ *Convenient handle and shoulder strap anchors (straps not included).*
- ◆ *Easy access with user-friendly gliding and locking mechanisms.*
- ◆ *Robust design. Strong, lightweight, long-lasting protection.*
